

Baker / cook
Bread & Butter Truro
1st July 2021

We are looking for a confident and efficient baker / cook to job-share in the prep kitchen of our busy Truro café.

The job is for 4-5 days a week, to include some weekend working in rotation with the other baker, between the hours of 8am and 3-4pm.

You might be a trained baker but equally you might be a confident home-cook wanting to turn your passion into a job.

About Bread & Butter

Bread & Butter is a popular and busy daytime café opposite the Royal County Museum in Truro. We are well known for our fluffy American pancakes, brownies, muffins, frittata, super-salads, home-made sausage rolls – all made using the best quality local ingredients we can find, and have won a Taste of the West Gold award.

To find out more, please see us on [Instagram](#) and our incredible reviews on [Tripadvisor](#).

Key areas of responsibility

We are not asking you to cook food to customer orders, but to prepare and cook and bake in batches for the front of house team to finish, plate and serve.

We'll need you to prep and cook all the items listed above, but we are also excited to hear of other things that you think will fit onto the menu.

Part of the job, of course, is efficient stock rotation and ordering. A must is maintaining the highest standards of hygiene, cleanliness and safety.

Personal skills needed

Calm, confident with a flair for interesting food. You need to be comfortable following our tried, tested and popular recipes.

You need to be able to work calmly on multiple tasks even when it gets hot and busy.

We really value people who fit in well with the existing team, who are warm and willing and happy to help out wherever it's needed.

Hours

This role is for four to five days a week, which will include some weekend work in rotation with the other cook. Starting time is at 8am until about 3 to 4pm. One or two days a week may go a little later, and there may be the option of more hours if you want them.

If you are not available for these days and hours, please do not apply.

What we offer

- £10 per hour (approx £20,800 for eight hours, five days a week, pro-rata for fewer hours/days)
- 28 days holiday, pro-rata
- near station, and cheap daily parking nearby
- sociable hours
- tried and tested recipes and processes to work with
- a great team to be part of
- a company with a great reputation and reviews
- share of tips
- optional pension scheme.
